REFERENCE SALE CODE KC0311

A compact 14 inches high and 2.75 inches deep, this innovative design dispenses a regular sized towel that folds five times instead of two for the same drying ability in a compact size. This dispenser accommodates up to 225 towels to help reduce maintenance.

FREE Dispenser (KC06904) with purchase of SLIMFOLD towels!

KC0442 Kleenex SLIMFOLD/WHT/24PK/90 Towels

\$26.99

The SCOTT® SLIMROLL* Towel System is a true breakthrough in touchless hard roll technology, proving that good things do come in small, high performance packages! Dries in less space, the dispenser is nearly 50% smaller than standard SANITOUCH* dispensers, but includes the same dependable dispenser module. Automatic transfer stub roll feature and emergency feed knob reduces waste and complaints.

Dispenser (KC10441) only \$5.99

KC12388 Scott Slimroll Hard Roll Towels 6/580' \$41.99

Welch Allyn Connex ProBP 3400 Digital BP Device

With a small, handheld design that makes it easy to carry anywhere, and proven accuracy that rivals traditional manual BP devices, the ProBP 3400 can help your clinicians take fast, dependable blood pressure readings. Plus, with wireless and wired connectivity options for easily transferring readings to an EMR.

- SureBP™ blood pressure technology captures readings in just 15 seconds
- Obtains accurate readings and minimizes error codes, even in cases of motion or weak pulse
- Transfers readings directly to your EHR via Bluetooth® wireless or wired USB
- One-button operation makes it easy to use compared with handheld and wall aneroids
- Built for the rigors of daily use and tested to hold up longer than many lower-cost devices
- Wall mount, mobile stand, and desk mounting options available
